2. Reason for Change

IIA is changing the hotel operator because of the upcoming expiration of the current lease contract with SHR Hotel. The new hotel operator will be Hakata Hotels, a consolidated subsidiary of Ichigo, IIA's parent company. Hakata Hotels currently operates 13 hotels, including the HOTEL EMIT SHIBUYA, The OneFive Okayama, and The OneFive Fukuoka Tenjin, which are owned by Ichigo Hotel.

Hakata Hotels was chosen from among several candidate operators based on its competitive price offering. Under the new contract, the Chisun Inn Osaka Honmachi's fixed rent will increase significantly, while the revision of the variable rent component will increase the potential for upside earnings growth. Hakata Hotels will deploy PROPERA, an AI-based revenue management system developed by Ichigo, to maximize earnings and increase guest satisfaction.
