Notes:

- The above data is as provided by the hotel operators or as calculated by Ichigo Real Estate Investment Advisors based on information provided by the hotel operators. The data has not been audited and thus its accuracy cannot be guaranteed and may not match data disclosed in future Financial Reports.
- RevPAR or Revenue Per Available Room is calculated as follows:  

$$\text{RevPAR} = \text{Total revenues from accommodations (excluding restaurant charges and other service fees)} / \text{number of available guest rooms.}$$
- Occupancy is calculated as follows:  

$$\text{Occupancy} = \text{Total number of guest rooms occupied during the period} / (\text{number of guest rooms} \times \text{number of days the hotel was in operation during the period})$$

Occupancy may exceed 100% in the following cases: 1) a guest had pre-paid for a guest room but checked out early, allowing the guest room to be occupied by a different guest; or 2) a guest room is occupied for less than one day by different guests.
- ADR or Average Daily Rate is calculated as follows:  

$$\text{ADR} = \text{Total revenues from accommodations (excluding restaurant charges and other service fees)} / \text{number of guest rooms occupied.}$$

5. Revenues are total revenues from accommodations and related services only. Rent from retail tenants at Hotel Vista Premio Kyoto and Chisun Inn Osaka Hommachi is not included.
6. Past data for Hotel Wing International Nagoya and Comfort Hotel Hamamatsu and data for Hotel Suave Kobe Asuta are not included above, as the hotel operators have not given consent to disclose the data.
7. Since the rent for Comfort Hotel Hamamatsu is fixed, operating results have no impact on the rent.

### Value-Add Actions

At Chisun Inn Osaka Hommachi, Ichigo Hotel REIT added ramps to the stairs leading to the front entrance this month to ease guest access to the hotel.

Ichigo Hotel REIT will continue to work closely with its hotel operator partners to carry out strategic value-add capex to increase operating efficiency and improve guest satisfaction.
