Notes:

- The above data are as provided by the hotel operators or as calculated by Ichigo Investment Advisors based on information provided by the hotel operators. The data have not been audited and thus their accuracy cannot be guaranteed and may not match data disclosed in future releases.
- Revenue is revenue from accommodations and related services only. Rent from retail tenants at The OneFive Osaka Sakaisuji, Hotel Wing International Kobe Shin Nagata Ekimae, and Smile Hotel Tokyo Asagaya, and rent from the banquet hall at the Nest Hotel Kumamoto are not included.
- RevPAR (Revenue Per Available Room) is calculated with the following formula:  

$$\text{RevPAR} = \text{Total Revenue from accommodations (excluding restaurant charges and other service fees)} / \text{number of available guest rooms}$$
- Occupancy is calculated with the following formula:  

$$\text{Occupancy} = \text{Total number of guest rooms occupied during the period} / (\text{total number of guest rooms} * \text{number of days hotel was in operation during the period})$$

Occupancy may exceed 100% in the following cases: 1) a guest had pre-paid for a guest room but checked out early, allowing the guest room to be occupied by a different guest; or 2) a guest room is occupied for less than one day by different guests.
- ADR (Average Daily Rate) is calculated with the following formula:  

$$\text{ADR} = \text{Total revenue from accommodations (excluding restaurant charges and other service fees)} / \text{number of guest rooms occupied during the period}$$
- The Capsule Plus Yokohama and the Washington Hotel Plaza Shimonoseki Eki Nishi are excluded from the above data because the hotel operators did not give consent to disclose hotel-specific data that would allow for year-on-year comparisons. Data for the Hotel Livemax Nihombashi-Hakozaki are included in the total and fixed rent hotels data above, but not separately disclosed because the hotel operator did not provide consent to disclose hotel-specific data.
- Hiroshima Prefecture has temporarily leased all rooms of the Valie Hotel Hiroshima starting on February 8, 2021.
- Aichi Prefecture has temporarily leased all rooms of the Hotel Wing International Nagoya starting on January 28, 2022.
- Kumamoto Prefecture has temporarily leased all rooms of the Nest Hotel Kumamoto starting on February 1, 2022.
- Pre-acquisition data for acquired hotels are based on data received from the previous owners.
- July 2019 Revenue, RevPAR, Occupancy, and ADR data provided as a reference is for the 19 hotels owned since July 2019, and is not available for Valie Hotel Hiroshima, HOTEL EMIT SHIBUYA, and Comfort Hotel Nagano. The OneFive Okayama was operating under the name Comfort Hotel Okayama in July 2019, and hotel data is included as a fixed rent hotel.

### Explanation of Changes

July 2022 Revenue, RevPAR, Occupancy, and ADR increased significantly year-on-year due to a recovery in domestic tourism demand from weekend and summer holiday travel and various events, with RevPAR increasing to its highest level since March 2020. Although Ichigo Hotel's 22 hotels have yet to fully recover to the pre-Covid levels of July 2019, hotel demand is expected to continue recovering on the back of local government programs subsidizing domestic tourism.

### ESG Initiatives Toward a Sustainable Society

In recent years, Ichigo Hotel's assets have faced increasing risk of natural disasters such as earthquakes and physical damage due to intensifying winds and flooding caused by global warming. In order to create a safe environment for guests in case of an emergency, Ichigo Hotel has prepared emergency food supplies and portable batteries at five hotels operated by Hakata Hotels, Ichigo's wholly-owned subsidiary – The OneFive Osaka Sakaisuji, The OneFive Okayama, The OneFive Fukuoka Tenjin, The OneFive Garden Kurashiki, and HOTEL EMIT SHIBUYA.

Ichigo Hotel will continue to provide a safe environment and peace of mind to tenants, shareholders, local residents, and all other stakeholders.
